WHO	

OUR ELEVENTH SHOW SETS RECORDS:

If you missed our show you missed a good one. We had over 1,500 "eager buyers" through the door and from all I heard and saw they were in a buying mood. I think that this may have been our best show ever and once again the Show Committee has done a first class job with a first class result. THANK YOU ALL!

COME TO THE MEETING:

Bill Adams says he will have the door open by 6:30 so you all will have an hour to help set-up chairs, tables and your items..and trade/sell your heart out before the meeting starts at 7:30. If you have not seen the room I think you are going to be pleased with the room and the amount of space we now have. If you have anything to sell or trade bring it along; we now have LOTS of room and tables. (Shirley promises extra special goodies in honor of the move)!

NEWS FROM PORTLAND:

From the Cascade, the newsletter of the Portland Photographic Historical Society, I learn that Charlie Kamerman is exhibiting some of his Kodak advertising items at the Hood River County Historical Museum all summer. If you get a chance to travel up the Columbia River Gorge (a very nice trip) to Hood River (windsurfing at its best) do stop and take a look at Charlie's exhibit. Admission is free. Also, drive out to the Kimber home and sit and sip by the river.
